

# 2022 FEDERAL LEADERS OF TOMORROW

Sponsored by:

## 2022 FEDERAL LEADERS OF TOMORROW

Are you a good federal employee but wanting to become an extraordinary one? You know where your future lies in the federal government as an extraordinary future leader, but you need to develop a few more skills to make the next leap forward.

Well, you have come to the right place!

Come learn foundational skills to take your career to the next level. Our team of seasoned professional will collaborate with you and your cohorts to help you grow together to be the next generation of federal leaders.

This six-part, 3-month cohort will develop you, our Federal Leader of Tomorrow, in several key foundational areas. Through a combination of small group discussions, experiential learning, and one-on-one coaching you will learn to develop and implement key attributes as a future federal leader. These include:

- Project management
- Applying Emotional Intelligence into your personal leadership portfolio
- Goal setting and implementation
- Professional networking to benefit you and your organization
- Understanding and implementing proper business etiquette into your everyday activities

In this cohort, you will also gain valuable insights into your own leadership style and ability through the leadership assessment, Strengthsfinder.

This cohort isn't just about taking classes; it's about collaborating with your federal colleagues and having one-on-one coaching about your strengths and skills. Your coaches will help you grow and develop the skills you need.

## 2022 FEDERAL LEADERS OF TOMORROW APRIL COHORT SCHEDULE

**Session 1:** 13 April 2022 (\*0900-1600 CT)

*\*This is the only day the session will be a full day*

Learning proper etiquette can make your next career moves easier. Discover guidelines in various settings such as meetings, networking, and business social events and meals so you know what to do when.

Graduation and Presentation to follow.

## 2022 FEDERAL LEADERS OF TOMORROW COHORT TEAM

**Brian Brandt** tells stories that engage the audience, connect them with lifetime applications for years to come, and make a positive impact. These stories arose out of years of leadership experience as an accomplished college tennis coach, CEO of one of the nation's largest camp and conference centers, national sales director, executive pastor, and now CEO of Core Insights. Leading one of the country's foremost training and strategic planning companies, he helps shape some of the largest and fastest growing companies in the world, as well as non-profits that are producing profound outcomes.

**Dan Langdon** is a seasoned speaker, teacher, manager, and mentor. With over 25 years' experience speaking to groups of all sizes, Dan's career has been spent training, coaching, and mentoring young and old alike to both communicate and relate well with others. Having spent 10 years overseas in both Scotland and Japan, he has varied and extensive experience aiding both individuals and organizations in their move from stuck, to vision, to reality.

He has coordinated international campaigns, directed domestic youth programs, managed medical organizations and professionals, and shepherded countless individuals in the classroom, on the field, and through their everyday lives.

**Joel Osborn** is a global certified Strengthsfinder coach. His insightfulness into the Strengthsfinder inventory makes him a sought-after coach. After graduating with two undergraduate degrees, he then received a Master of Science in Agricultural Economics from Oklahoma State University and a Juris Doctor from the University of Oklahoma, College of Law.

**Renee Steel** is a profound teacher leading education at all levels. Renee has a bachelor's degree in communications, a master's degree in international relations, and her work career has been spent as a Human Resources manager for Caterpillar. Insightful, poised, and prepared are audience's description of this powerful trainer.

**Chris Zervas** helps leaders improve their communication, leadership, and employee engagement to impact their organization's bottom line.

He is the author of the book, [Bomb-Proof Constructive Feedback](#), and received his master's degree in Communication from Wheaton College after graduating from the University of Oklahoma as a student/athlete.

He has served two college communication faculties, worked in fundraising for over 10 years and has been trained in conflict resolution by the Administrative office of the courts of the Supreme Court of Oklahoma. More information about his keynote speaking, employee development and coaching can be found at [ChrisZervas.com](http://ChrisZervas.com).
